

## Niko Natural Hair Care

Looking for a natural hair care line? We have just the products for you! Niko Hair Care products combine natural nutrients and essential oil extracts that not only nourish your hair and scalp but also leave you relaxed, refreshed and energized!

### **NIKO NATURAL SHAMPOO**

Let's talk ingredients!

Because it's not only about what's in a shampoo. It's about what's not! Niko Shampoo contains no Sodium Laureth Sulfate, no Diethanolamine and no harsh preservatives. Niko Shampoo is also fully biodegradable and performs no cruelty to animals. Your hair deserve a shampoo that's loaded with nourishing ingredients including wheat and oat amino acids, coconut oil, jojoba oil, vitamin B5, extracts from grapefruit, balm mint and mistletoe. With safe and effective ingredients it will gently cleanse and nourish your hair and scalp as nature intended.

Niko shampoo mixes natural nutrients with key essential oil extracts for your own personalized formula. Giving you all the goodness your hair and scalp needs.

Wash your hair with Niko to gently cleanse and nourish your hair and scalp giving you softness, strength and shine.

Can be mixed with Jojoba, Lavender, grapefruit etc.

### **NIKO CONDITIONER**

Niko Hair Conditioner will not just mask your hair needs with waxes and polymers. It will actually nourish with pure natural ingredients.

Repair and prepare for healthy hair.

Niko Conditioner mixes natural nutrients with key essential extracts for your own personalized formula. Giving you all the goodness your hair and scalp deserves.
